The **Icon™**

Icon™ in Sapphire Blue

An icon is often referred to as that which is the object of great attention or representative of the latest fashion trends. To deliver just that, Leisure Pools® designers created The Icon™ — a pool that embodies those attributes of a pool which we consider fashionable into one captivating swimming pool.

The Leisure Pools® Icon™ was designed to incorporate all of the amazing features of The Ultimate™ — the built-in spa and splash deck — except it has been modified to reach 8' at its deepest depth.

Spend just a few minutes in this spacious spa, and you will experience less stress and improved circulation. The spa was designed to offer you the option of circulating water within the spa alone, or to circulate into the pool through two built-in spillovers.

The built-in splash deck provides fun for both adults and children. The shallow waters offer a great play area for younger children or a place to stretch out and relax for adults.

The Leisure Pools® Icon™ perfectly represents what a pool should exemplify, not only with the great features it compacts, but through its length and water volume as well. No matter what ideas you have for your perfect pool, The Icon™ will undoubtedly deliver.
